RE: Letter of Reference

Dear Bob,

I appreciated the professional approach you took to fill the opening for a sales person for Interlock. Your knowledge of the exhibit market was very helpful in filling this key position at Interlock.

Please feel free to use me for a reference for future work. You have a very organized and thorough approach to recruiting. I especially appreciated how you were able to structure your work to fit the difficult schedules that both Ray Schipani and I have at Interlock.

I will highly recommend you to others for future work.

Thanks again for your help.

Sincerely,

Mark Brauer
