

To whom it may concern:

Please accept this letter of recommendation on behalf of Bob Bishop, and Bishop Partners.

I have had the opportunity to work with Bob on both sides of the coin – as a recruit when I relocated to St. Louis, and now as Sr. Vice President of an agency that utilizes Bob’s help in identifying and recruiting new staff for our agency. In all cases I have found Bob to be the consummate professional, consistently representing the best interest of both parties and seeking to fulfill the need versus “selling” a solution.

The bottom line is that our professional relationship is founded on trust, one that has never been compromised. I highly recommend Bob whether you are looking to attract new recruits or attract new interest in your career options.

Please feel free to call me directly should you have questions or would like further information.

Sincerely,

Jim Gradl
