To Whom It May Concern:

Hello, my name is Tim Carbol and I have recently had assistance from Bishop Partners LLC in finding my current job as a Graphic Designer for Harrah's Casino. In the short amount of time I had the privilege to work with Mr. Bishop in finding my current job. I truly felt at ease and comfortable around a gentleman who is so dedicated and passionate about his career, and truly wants to help others find the careers that they are looking for. Not only did he help find a career that was perfect for me but he also took the time to show me how to take my portfolio and interview skills to the next level. Mr. Bishop also made sure either by e-mail or by phone that I was always up to date on what the situation was with the job search.

I am honored to say that I have found my career as a Graphic Designer because of the advise, care, dedication and knowledge that Bishop Partners LLC provided and I would strongly suggest Bishop Partners to anyone who is looking for their career to talk with Mr. Bishop.

Sincerely,

Tim Carbol.
